

ISLE OF WIGHT GROUP - Supplement to Newsletter

13 February 2023

There are two important amendments to the Newsletter you recently received. These concern the first two meetings of 2023.

8 March

This meeting (our AGM) now begins at 12.15pm as the room will not be accessible until 12.00pm.

(for coffee) Our Healthwatch speakers are aware of the new timing.

June

The June meeting will **now be held on 21 June (at 11.00am)** as the date previously announced clashes with the Isle of Wight Festival ! Other details as planned. The Blue Lamp guest speaker is happy with the new date.

We will send out another Newsletter in the Summer which will give you fuller information about our other two 2023 meetings
