MEETING DATES – SOME IMPORTANT CHANGES

- **February 2023 – CANCELLED**
- **EASTER 2023 – change of meeting date from 10th April to
Monday 17th April 2023**

Group Notices

1. Cancellation of February's meeting

Our next meeting was scheduled for Monday, 13th February 2023, but by that date three out of our six committee members, including our acting Chairman, will be recovering from either injury or surgery, or both.

We have therefore decided to cancel this month's, February's, meeting.

We expect to meet again, as normal, on Monday 13th March 2023.

We send all our good wishes to John, Jean, and Neville for a speedy recovery.

2. EASTER – change of meeting date

Easter Monday, this year, falls on April 10th, which would normally be our April meeting date, and AGM.

We are therefore postponing the monthly meeting to the following week, meeting on

Monday, 17th April 2023.
