

## HARROW & DISTRICT NEWSLETTER

March 2023

Dear Member

Harrow Group writes to each individual member inviting them to our AGM as we believe that all members in our catchment area should have the opportunity to attend their AGM, put forward motions etc. and participate in the democratic process.

Moreover, we also like to use this opportunity to try to boost our membership and get those of you that are only national members to join us as Harrow Group members in our successful and thriving Group. We have had some success from our newsletter, however to continue this success and reach our full potential we need more new blood. We need people like you! You are already have a commitment to the Alliance to safeguard your interests as Civil Service pensioners.
