

## Teesside Group

The next meeting of our group will take place on Thursday the 19<sup>th</sup> June at 2pm at Costa in Morrisons car park, Newmarket Avenue, Teesside Park TS17 7BP. We aim to finish by 3-30pm.

All Civil Service Pensioners should by now have started receiving their increase from April 2025. To see your payslips as well as other useful information go to [members.civilservicepensionscheme.org.uk](https://members.civilservicepensionscheme.org.uk)

The Cabinet Office is currently reviewing the performance of My CSP and CSPA is asking for members to comment. Please go to our website if you have an opinion. As you may know Capita are taking over CSP administration later in the year.

The Alliance continues to press for the restoration of winter fuel payments. The government has indicated that a review is underway. We await their announcement.

The Alliance is also campaigning to reverse the planned cuts to carers allowance which could affect many of us.

On a different topic don't forget that the CSPA travel insurance scheme is still available. Details again on the website.

Please make every effort to attend our meeting. You will be made very welcome. As usual tea, coffee and biscuits are available. If you are unable to attend the meeting don't forget you can access the Alliance website. The URL is [www.cspa.co.uk](https://www.cspa.co.uk). It contains up to date information about the Alliance's services and activities. If you don't have internet access, there are of course regular updates in the quarterly Pensioner magazine.

The agenda for the meeting is below, and the minutes of our December 2023 meeting are also enclosed.

Yours sincerely

John Butler  
Group Secretary.
