who we are...

The Charity for Civil Servants supports current, former and retired civil servants when they face tough times.

From mental health struggles and financial assistance to relationship issues, getting through grief, and coping with disability, we're here to help people stay strong, whatever life brings.

We're here for civil servants, **providing an umbrella of support** when it's needed most.

Our supporters make a difference

Supporting us will help ensure civil servants never need to face life's challenges alone.

People like Graham.

Graham's son David passed away at the young age of six, following a battle with cancer. We were there for Graham and his family emotionally and financially when they needed us most.

At the Heart of the Civil Service Community

The Charity for Civil Servants has been at the heart of the Civil Service community since it was **founded in 1886**. **We are 140 next year!**

We're almost entirely funded by voluntary donations.

Need to raise additional £3m per year by 2029.

Ensure that the Charity is here to help future generations.

A Gift In Your Will is the Umbrella Every Civil Servants Needs

If you don't already know, many people choose to support the Charity through a gift in their will. After taking care of your loved ones, any donation in your Will could provide an umbrella for civil servants in need.

Our Ambition – Your Support

We need to put the **Charity for Civil Servants** back where it belongs; and that is, **at the heart of the Civil Service community.**

We can only achieve that **Together!**

BETTER TOGETHER
