

CSPA ANNUAL REPORT 2024 – ADDENDUM (ERRATA)

In response to concerns raised about arithmetical inaccuracies in the membership statistics table included at the bottom of page 9 of the 2024 Annual Report, the Deputy General Secretary undertook a review of the data referred to within it.

The arithmetical discrepancies were due to transcribing errors in preparing the table and inconsistencies in selecting the date ranges for the data.

A CRM data cleanse, carried out in July 2024, highlighted inaccuracies in our stated 2023 membership totals, and these incorrect figures have now been removed from the table and are no longer to be referred to.

The table in question has now been corrected to rectify the arithmetical and other discrepancies.

The corrected table is as follows:

	England & Wales	Scotland	Northern Ireland	Overseas	Totals
Revised Membership at 31 December 2024	27,254 <i>(not 27,512)</i>	2,730 <i>(not 2,736)</i>	3,393 <i>(not 3,405)</i>	500 <i>(not 502)</i>	33,877 <i>(not 34,117)</i>
Members recruited during 2024	346 <i>(not 344)</i>	33	30	3	412 <i>(not 414)</i>
Members lost during 2024	2,069	246 <i>(not 509)</i>	509 <i>(not 19)</i>	19 <i>(not 234)</i>	2,843 <i>(not 2,831)</i>

The above information is to be read in conjunction with the Annual Report 2024 as an Addendum, with the above information being substituted.

Sally Tsoukaris
CSPA General Secretary
1 October 2025
